Re: Euro Pacific Capital Inc. v. Bohai Pharmaceuticals Group Inc.
Case No.: 15 Civ. 4410 (VM)

Dear Judge Marrero:

This office represents the defendant, Bohai Pharmaceuticals Group, Inc. ("Bohai"), in the above-referenced matter. We had previously written to the Court on July 13, 2015 seeking an extension of time on behalf of Bohai to respond to plaintiff's complaint. Bohai requested the extension to retain litigation counsel and consult with such counsel to prepare a meaningful response. On consent, the Court granted Bohai's request and extended the deadline to file a response to plaintiff's complaint to August 13, 2015 (Doc. No. 7 and 8).

On August 3, 2015, Bohai selected this office to represent them in this lawsuit as defense counsel, and, this morning, a notice of appearance was filed on behalf of the defendant. Bohai's operations are in China and its representatives reside and work in China. Therefore, in order to complete our firm's deliberate investigation of the plaintiff's claims and to prepare and file an appropriate response, Bohai requests additional time. As a result of personal and professional commitments of Bohai representatives and undersigned counsel, we seek an additional 21-day extension of time up to and including **September 3, 2015**, to file a response to the complaint.

As noted above, this is Bohai's second request for an extension of time. However, we note that this firm was engaged to act as litigation counsel just this week and the additional time would not unduly prejudice the plaintiff as a scheduling order has yet to be entered in this case. Plaintiff's counsel has indicated that they do not consent to this request on the sole basis that they had previously consented to the initial extension.
